

Work effectively and react faster!

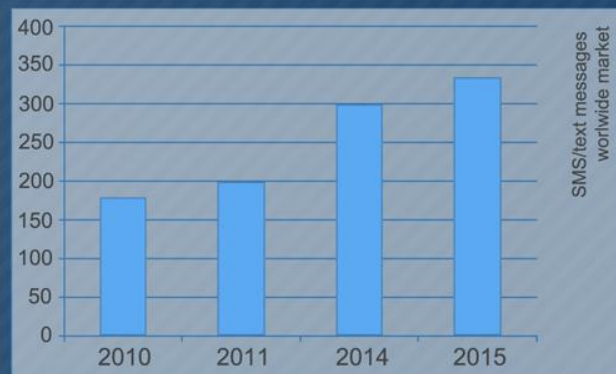

Horst Fuhrmann
CEO
SKyPRO AG

SMS sending occupies the highest positions in world of communication. It dominates Non-Voice market worldwide. Nowadays SMS messages are the most effective communication tool!

In 2010 worldwide SMS/text messaging market circulation was 179.2 million dollars. In 2011 the sales will rise up to 200 million dollars. In the first half of 2014 sales will reach 300 million; in 2015 total cost of SMS/text messages will become more than 330 million!

Get in touch with people easily!

By sending SMS directly from your GroupWise environment.
