FaxGwise for communication experts

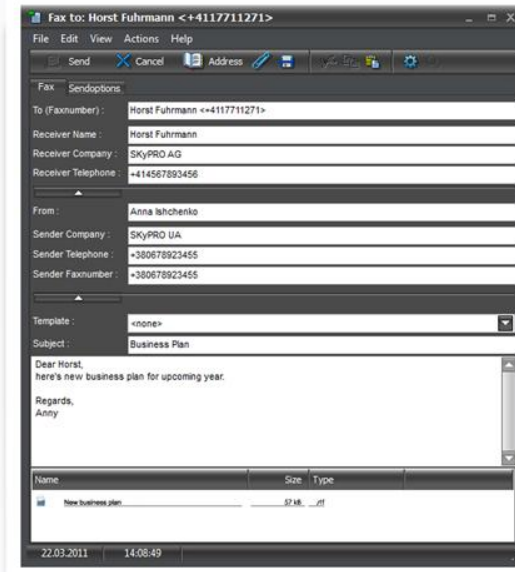

Increase Productivity and ensure Documents Security.

Send, receive and manage Faxes within Microsoft Exchange.

Save Time and Money.

FaxGwise is a centralized fax solution that ensures the security and control of your documents circulation. It's a cost efficient solution for organizations to send and receive faxes directly from their Exchange desktop.

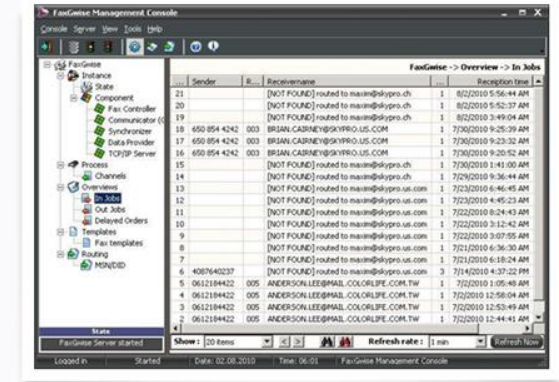

- Faxes don't get lost in reception anymore.
- Store your faxes within Exchange and control them.
- Receive your faxes anywhere, even when out of the office or abroad.
- Save on paper and ink, only print what you need.
- Manage your 'junk' faxes.
- Send faxes to multiple recipients at the same time.
- Save your costs of phone lines.
- 24/7 SKyPRO Online Support is ready to help you at any time!
