FaxGwise for communication experts SKyPRO

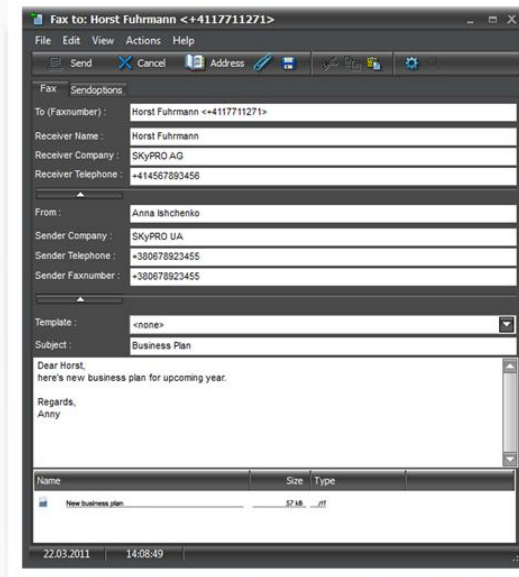

Increase Productivity and ensure Documents Security.

Send, receive and manage Faxes within Novell GroupWise.

Save Time and Money.

FaxGwise is a centralized fax solution that ensures the security and control of your documents circulation. It's a cost efficient solution for organizations to send and receive faxes directly from their GroupWise desktop.

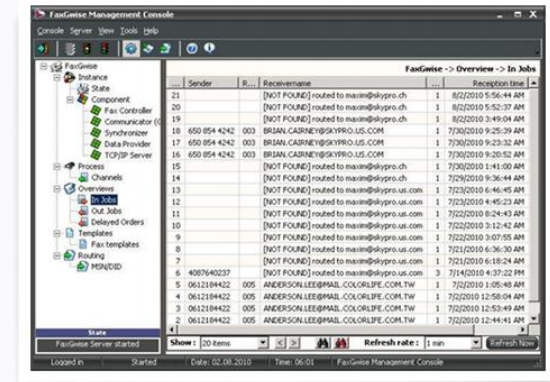

- Faxes don't get lost in reception anymore
- Store your faxes within GroupWise and control them
- Receive your faxes anywhere, even when out of the office or abroad
- Save on paper and ink, only print what you need
- Manage your 'junk' faxes
- Send faxes to multiple recipients at the same time
- Save your costs of phone lines
- 24/7 Online IT-Support
